Bible School

Torchbearers Bible school programs provide foundational teaching to equip men and women to live, with integrity and vitality, the authentic Christian life that “turned the world upside down” in the first century.

“I know of nothing so utterly exciting as being a Christian, sharing the very life of Jesus Christ on earth right here and now.”

- Major Ian Thomas

- » Come to know the risen, indwelling Lord Jesus Christ deeply and personally.
- » Develop the personal disciplines of studying, understanding and communicating the Bible.
- » Discover and prove in everyday experience the reality of the Christian life, as Christ Himself is allowed to work in and through your life.
- » Participate in the mission of your local church, equipped for full-time Christian service, regardless of your occupation.

In addition to learning from lectures in the classroom, students interact in small groups for the purpose of outreach, study and personal growth. The community helps students learn how to live out their faith and serve others. Friendships form between students from different countries and cultures, bringing an added dimension to spiritual growth.

Another unique aspect of Bible school is the staff-student interaction, which is more relational than at a typical college, allowing dynamic opportunities for both formal and informal discipleship. Staff and guest lecturers not only teach the Scriptures, but they are available to students outside the classroom and walk with them as they discover how to have a personal relationship with Jesus.

"The teaching was incredibly personal. I was able to get to know Jesus myself and take away a personal knowledge and relationship with Him."

- Tom (CANADA)

"It's amazing, that the Creator of the universe cares for us and He's not just a God living up in heaven far away, but He does care - for each one of us, and He comes down to earth to live in us!"

- Isa (COSTA RICA)

A group of four young people are sitting on a wooden bench outdoors, laughing and talking. A young woman with blonde hair is laughing heartily in the foreground. Behind her, a young man with dark hair is smiling. To his right, another young woman with blonde hair is laughing. In the foreground, a young woman with dark hair is looking towards the group. They are all dressed in casual clothing. The background shows a large tree with green leaves and a building with a red roof.

"The community at Bible school is like a family. Everyone is kind and you can talk about God and ask questions you'd never dare to ask at home because you'd be afraid of what people think. You get to know different cultures and how different people think and it's incredibly enriching."

- Hannah (GERMANY)
